

Hi, my name is Cheeky (In Foster 24 Aug)

How cute are my ears?

Large Female Greyhound Dog

Hi there, I'm Cheeky and my mission in life is to be your friend! I'm a happy, friendly girl who really does want to be friends with everyone. I'm also a rather stylish girl, I'm always very well dressed in my sleek black coat, really not to toot my own horn, but you won't believe how shiny and soft my coat is – besides, black never goes out of fashion so you'll always look super stylish with me on your arm. I've been very friendly with all of the greyhounds that I've met here so far, but I'd love a home where I can be pampered without those small fluffy things they call dogs.
