

Hi, my name is Miss Bounce

Gorgeous older lady

Female Domestic Short Hair Cat

This is Miss Bounce. She's ten years' old (January 7th) and, as a tiny kitten, her mother brought her to her future owner's villa in Samford. She's still a little bit of a scaredy cat, and she takes a while to get to know you but is full of love when she does. Miss B isn't a cuddly lap cat, but she's very affectionate and she really loves scratches around her chin and ears - and then she will purr for you. She also likes to lick toes! Miss Bounce used to sleep on her human's lap, but, unfortunately, her human has now passed away. So we're now looking for a forever home for Miss Bounce, and would love to find her an older companion that doesn't want to pick her up. Miss Bounce did like to wander around her mum's tiny back yard, but did not go further. She would need to be an inside cat, or have safe access to a small outside area. She uses a litter tray with 'clumping' sand. Miss B. is desexed and micro-chipped with Samford vets, but is a bit 'flighty', so it's been a while since she's been to the Vet's. We would be happy to introduce Miss B., at our home, to prospe...
