Looking for love

Male Domestic Short Hair Mix Cat

Hi, my name is Barnie and my animal ID is 131530. I'm a 'Private Investigator'. If you need a good friend who knows how to stay out of trouble and will always keep your secrets, I'm your cat. I'll keep a close eye on you and your household to make sure you stay safe, though I'm good at vanishing into thin air if anyone or anything interferes with my investigation. Trust is a must for me - and I'd love to build a trusting relationship with you. I came from a multiple cat household and didn't receive much love. I really want to be your friend but it's very hard for me to trust anyone, so it will take time and patience for us to be great mates. I would prefer a quiet household, and love food. I also enjoy the company of other cats. I am desexed, microchipped, vaccinated, and up to date with parasite prevention. I have lots of love to give, please come and meet me as soon as you can.
