

Hi, my name is Phoebe

Looking for love

Large Female Greyhound Mix Dog

Gorgeous Phoebe is on the look out for her forever home. We believe Phoebe is a greyhound cross mystery breed lol. She is a true rescue breed as we are not quite sure, but she sure is pretty. Phoebe just loves to play and run and then snooze. Her big joy in life is love and pats from her humans. She adores her humans. This special girl deserves a forever home where she is included in the family. Phoebe is a bit smitten with most of the boy pooches in her foster home but can be picky with other females. She would be best rehomed without female dogs and with an experienced dog owner. Phoebe is currently in foster care in Parkes NSW. If you would like to find out more about this little sweetheart please answer the adoption questions below.
