

# Hi, my name is Michonne

Looking for love

## Female Domestic Short Hair Cat

Michonne is one of our world famous twisted sisters. Michonne and her sisters arrived in care with varying degrees of forelimb abnormalities. Michonne endured months of casting to straighten her legs. She has just undergone the final stage of treatment, a metal plate in her left leg to provide support, as she is missing a bone. Michonne is a very sweet and gentle cat. She really needs a human who will take the time to form a bond with her. She is a real little bed bug and loves to snuggle under the covers. Michonne will need another feline in her forever home.
