

Hi, my name is Harley

super sweet

Large Male Mastiff Mix Dog

Harley is a beautiful sole, he has had a hard life up till now so he need a loving understanding home, Harley just seems to get on with everyone, still a little unsure around people, Harley is very social with other dogs and would love a doggy companion to keep him company , Harley is happy to stay put and has never tried to run away, has been around kids but I don't think they were very kind to him so adult family would be best
