

Hi, my name is Princess

Full of life and love

Medium Female Staffordshire Bull Terrier x Whippet Dog

Meet beautiful Princess a 10 month old Staffy cross Whippet. Princess is a beautiful girl who is full of life and very active! Princess loves her walks and is good on the lead and loves human interaction and being around her people. Princess is still in the puppy phase and has not had much training, so she will need someone who is willing to put in the time for her to be the best girl she can be. She will need a very active home where she can get daily mental and physical stimulation and learn how to channel her energy in the right way. She will need a lot of human interaction and love in the beginning to reach her full potential as she has a big heart and wants to use it! She has been an inside dog but has had no other basic training. Little Princess deserves a home that will give her a second chance as underneath her energy she has a lot of love to give.
