

Hi, my name is Bruiser

Beautiful active boy

Medium Male American Bulldog x Staffordshire Bull Terrier Dog

Meet Bruiser a three year old year Staffy cross Bulldog. Bruiser is a beautiful happy active boy looking for his forever home. He gets on well with other dogs and needs someone who is an, experienced dog owner. Bruiser is an inside outside dog who loves playing with his humans and being with them at night too. He is very clean inside. He is a gorgeous boy inside and out who loves affection and cuddles with his humans. Bruiser sits on command, but will need further training to help him be the best boy he can be. Bruiser will need a lifelong commitment and a home that can offer him lots of love and affection, An active home is a must where he can get daily mental and physical stimulation and be able to join you on all life's adventures. He loves his trips out in the car and going to new and exciting places. Bruiser is just looking for a home where he can use his intelligence and energy to it's best advantage and be a part of a loving family.
