

Hi, my name is Bam Bam

Bottomless love to give

Medium Female Dingo Dog

"Hi my name is Bam-bam and I'm looking for a fresh start with the perfect family. I am the most beautiful, affectionate, trusting little lady and still have boundless energy and love to give despite my age (5 years old). I love kids and other dogs and would make a great family dog- providing hours of entertainment with my playful antics and then enjoying a cuddle on the couch or a tummy rub. Before coming to the shelter my life was a sad one, I weighed just 6kg (I'm now 16kg) and had been bred continuously for profit for most of my life. But despite this rocky beginning I still have an intense love of people and desire to nurture and love. I'm ready to start over and re-live the puppyhood I missed out on, now all I need is the right family to make that happen. I am still learning about walking on lead and my new family will need to work on my excitement levels when I go for walks as I tend to pull, but the rescue has a great trainer and a special front clip harness to help with this. I already know how to sit and I love my food so learning more commands should be a breeze....
