

Hi, my name is Mim

So pretty

Female Domestic Short Hair Cat

This is Mim. From the pound, we probably wouldn't have taken this girl in even though she is so pretty because she was pretty wild. But a lovely lady begged us to save her and helped us with her costs, so we went ahead and Alison has fostered her. Little Mim will need to go to an experienced cat person. She is friendly most of the time especially when it is feeding time so training her with yummy treats (yes you can train cats) will help a lot. She can still be a bit skittish at times, but with patience and understanding this girl will love you forever. Mim is quite happy with the other cats at Alison's place. We do ask that our cats are kept indoors or in cat runs 24/7 to respect our wildlife, the safety of the cat and the rights of your neighbours.
