

Hi, my name is Tic Tac

has a lovely nature

Female Domestic Short Hair Cat

*****INDOOR ONLY KITTY***** Tic Tac was born 12.06.16. Tic Tac has raised her babies and is ready to retire into her own family home. She does spend a lot of her day sleeping on the couch or high up on the scratching post and would prefer to be the only cat in the household so she can rule the roost, but she might accept a canine who lives outside. Tic Tac has a lovely nature. She doesn't seek affection but is always happy to receive it when given. Mama (as we call her) doesn't sleep on your bed but will sleep in your room if the door is opened. Mama would not be suited to a household with young children as she gets stressed when kids are being loud and in her face. All her vet work has been done and includes desexing, microchip, vaccinations, flea and worm treatment. Meet and greet in Atherton.
