

# Hi, my name is Tori

## Shy but loving

### Female Domestic Short Hair Cat

**\*\*\*INDOOR ONLY KITTY\*\*\*** Tori was born 18.01.17. Tori has had an incredibly rough and sad start to her life, including the miscarriage of her litter of kittens. It took her foster carers a long time to win her trust over, but finally Tori is content with and, seeking affection from her humans. Tori would be best suited to a very quiet family with no children who don't want a "lap cat". Tori enjoys sleeping on your bed but does not go out of her way for other forms of affection. Tori is a friendly cat who is easy to bath and travels well. She does not like dogs and has terrible social skills with other cats which often leads to them fighting. Tori's story is truly heartbreaking and this young girl deserves an amazing home and family to call her own. All her vet work has been done and includes desexing, microchip, vaccinations, flea and worm treatment. Meet and greet in Atherton.
