

# Hi, my name is Seth, Smithy, Silo And Swift

Gorgeous big pups

## Large Male Deer Hound x Greyhound x Mastiff Dog

These gorgeous big gangly pups are going to grow into the most handsome big stripey dogs that you can imagine. There are three males and one female. Their breed mix says that they will be pretty laid back but will still enjoy a fair bit of exercise and brain stimulation as their mum Storm is quite active. (we have included a photo of Storm, she is the very white and dark brindle one with long legs). Big dog owner do need to understand their care and feeding as they do have different needs than small and medium dogs. These beautiful pups will just melt your hearts and will make fabulous companions for anyone willing to put in the work in their growing years to ensure they are well socialised.
