

# Hi, my name is Bud

Looking for love

## Large Male Staffy Mix Dog

I'M SEARCHING FOR MY HUMAN LOVE MATCH! IS THAT YOU?!?! Hi! The name's Bud and my name fits my personality, I'm the best bud you'll ever find! I really don't know how I've been left with no love, I've so much to offer! I love sleeping on warm clothes (it smells like humans so I just love using them as my bed). Unfortunately I was stuck in a very scary pound for a long time and thankfully I was saved from death row just in the nick of time! Now I'm around humans again I just can't get enough of them! I

love to talk to you while I stand on my back legs and move my front legs all around, I love showing everyone how clever I am. I adore snuggles and following you around everywhere while I run around like a big puppy. I'm full of love and happiness and always wearing a big smile! I also know how to sit and wait

like a good boy and will always come when I'm called, but you don't have to call me often as I'm always close by! I have had a really rough start to life and I haven't been around lots of other doggies or cats, so I need a home with no other dogs. I'm so...
