

Hi, my name is Theodore

Looking for love

Small Male Cavalier King Charles Spaniel Mix Dog

This darling boy has come into rescue at 16 years old after his elderly owner passed away. Although deaf as a post, Theodore (aka Teddy) is the most laid back, relaxed character and gets along with everyone. He weighs around 11 kilos and is just totally divine! Due to his advanced age we are really hoping to find him a home with an owner who is home a lot and has an interest and experience in caring for senior dogs.

Although Theodore in good health we don't know how much time he has left and we are striving to make his future days the best of his entire life. He loves going out for his daily walks and pottering about the park but isn't the most snuggly dog although he does like being touched. Theodore is absolutely fine around other dogs and children and is completely house trained. Theodore comes desexed, microchipped, vaccinated, wormed and on monthly heartworm prevention for \$75. The adoption fee also includes NSW Local Council lifetime registration. Theodore is NOT available for adoption outside NSW (except ACT).
