

Hi, my name is Gwen

Looking for love

Female Domestic Short Hair Mix Cat

Hi, Gwen here! It's getting cold outside, but I will keep you warm! Grab a blanket, settle in, and I will soon join you for a purr-filled snuggle. I love to explore - cupboards are my favourite if I can spot an open door! I also like to know what's going on with my human friends, so I'm usually not too far behind you, checking it all out. Even though I'm not a young kitten anymore, if you find me the right piece of string, or scrap of paper, I still enjoy playing. If you're looking for a cat to steal your heart (and your lap space!) come say hello! I've been desexed, microchipped and am currently up to date with my vaccinations, flea and worm treatments.
