

Hi, my name is Kittles

Looking for love

Female Domestic Medium Hair Mix Cat

Hi my name is Kittles, I was found at the front gate of the RSPCA in a washing basket with my Mother, brother and sisters and I have been out on foster care with our lovely foster care mum until we were old enough to find our new forever homes and now that time is here. My foster care mum says we are just beautiful loving kittens with our own unique personalities although we do all like to snuggle. Our adoption price includes our desexing, microchipping, worming, flea treatment, a vet check and we are up to date on our vaccinations. So if I or one of my siblings sound like the perfect kitten for your family please come in and meet us we would love to meet you. Kittles xoxo
