

Hi, my name is Willo

Enthusiastic Giant Pup

Large Female Great Dane Dog

I'm Willo, a cheeky crazy Harlequin Great Dane pup. I love to run and I love to play, I'm told I'm yet to learn my manners but I'm sure I'll pick that up with some good instruction. At only 11 months old there's plenty of time for me to catch up on all those things, besides being a Great Dane I'm still a baby until 3 right! I know that's no excuse for being a bit destructive but if you give me something that you actually want me to get to work on, I'll do my best to oblige. I've met quite a few dogs that have come to visit the big property I currently live on and they've been awesome fun to play with. I love my buddy who is a lively Border Collie, we have a hoot together. I'm quite clever, in fact I've worked out how to get through basic strung wire fencing. Apparently this fun has to stop and I'm only going to a home with strong ring lock or full fencing. I'm no jumper, I watch my Border Collie go over but I can't do that. Visitors are fun, I like to be the welcoming committee. I get told I'm too boisterous, especially around the kids and have no spacial awareness whate...
