

Hi, my name is Quidditch

Looking for love

Large Male Greyhound Dog

Hi, I'm Quidditch! Can you guess how I got my name? That's right, it's because of my beautiful golden coat and it's similarities to the snitch in the Harry Potter game of Quidditch. I'm a very easy going boy who just loves being around people and wants to be everyone's new best friend. I remind the GAP staff of the 'boy next door' with my handsome blonde looks and easy going personality. I could live with or without another dog and wouldn't mind at all if my forever home had some small two legged humans to play with.
