

Hi, my name is Gemma

Looking for love

Female Domestic Medium Hair Mix Cat

I'm Gemma, and I'm a ninja. Like many ninjas, I don't associate well with others, human or animal. If someone gets closer than I am comfortable with I will act tough, but really I am a softie. I have been learning to share a house with my foster carer, but I prefer to be on my own during the day. When all the lights have gone out and everything is quiet, that is when my ninja skills are required, seeking out and menacing all the toy mice I can find. Unfortunately, after I obliterate one to pieces, a brand new one appears out of thin air, so I have to start all over again the next night. Recently I have been attempting to be a daytime ninja, sneaking around while my foster carer is still up and about to see me. The other thing I like to do as a ninja is fuel up on the cat grass plant. Hopefully there is someone out there who has a place for a sneaky silent ninja.
