

# Hi, my name is Kye

## Beautiful fluffy girl

### Female Domestic Medium Hair Mix Cat

ADOPTION FEE REDUCED TO \$80:00 Kye likes all your love and attention and doesnt mind other cats or kittens after she gets used to them, which can take some time but she'd be great for a home where Kye is the star as well. Kye not particularly comfortable when put outside and she'd much rather prefer your lap. A big fan of hide'n'seek, Kye will take her time to warm up to you but when she does - she's quite the smoochy girl. If you're a retired couple/senior or perhaps a true homebody who prefers to spend quality time with a furry companion, then Kye is the perfect housemate for you! She's a bit shy and might be a little afraid of you at first, so you'll have to be patient until she comes out of her shell. But trust us, her smooches are worth the wait! Kye has been desexed, vaccination, wormed, flea treated and is ready for adoption now.
