

Hi, my name is Anastasiya (Located In Bentleigh)

Night Owl

Female Domestic Medium Hair Cat

Introducing the beautiful Anastasiya, also known as fluffy and clearly you can see why! Her tail is fluffier than the rest of her! This stunning girl is just adorable. A little cautious at first in her new environment but adapts pretty quickly and comes out to play and get some attention when the family comes home. She loves to smooch and have a little cuddle and likes to rub up against you wherever you are. She grew up with the delightful Antonina and they follow each other around playing chasy running about the house.

Quieter of the two, but also a little devil, she will set her sights on Antonina and go for a playful pounce and wrestle. She also likes to play with her toys. She makes this cute little meow noise like shes talking to you and loves belly rub. Anastasia would be best adopted with Antonina as they are like sisters and are bonded. You can check out their bonded profile here: <https://www.petrescue.com.au/listings/655561> We offer a discounted fee for those adopted in pairs! Want to meet me in person?
