

Hi, my name is Tyler

Stunning Markings!

Male Domestic Short Hair Mix Cat

I'm Tyler, a somewhat shy little man to begin with but it's worth making the effort to befriend me if purr machines turn you on, as I can purrr with the best of them, hehe.. And my looks...well...imagine how beautifully I'd complement your household, with my striking appearance, Part Oriental, You can see it in my special markings, which are definitely something to boast about! Ah, it's hard being so handsome sometimes - other kitties must be so envious.. A lovely jack russell poochie is one of the members of my current household and I'm ok with that, as he's a friendly, non-aggressive sort of dude...I would prefer a fairly quiet home with adult companions, as noisy children can be rather intimidating, even to other humans sometimes! So, if you think we might be on the same page and you'd like to arrange a meet'n'greet with me, that would be absolutely pawesome :)
