

Hi, my name is Lola

She's a soulmate!

Female Domestic Short Hair Cat

Stunning ginger glows through Lola's pretty tabby coat and her bright eyes shine intently, they are like a window into her beautiful, kind soul. A moment with this lovely lady is all you need to see she has a soft, calm nature and a whole lot of wonderful to offer. She is cool, calm and collected. Not even a dog in the room phases her. There is a streak of independent woman in her personality, she is happy to chill on her own or find something to entertain herself when everyone is busy. Lola won't demand your attention and affection, however she will absolutely appreciate and adore every moment of it when it's on offer. Wise, intelligent, loving and pretty as a picture, Lola will treasure her life with her new people and never let them down. She is loyal and accepting. Funny and sweet. Gentle and patient. If you give Lola a change, if you can look into those eyes and see how much she speaks to you through them, you will never look back.

She really is one special cat, just waiting for her special someone to rescue and love her.
