

Hi, my name is Luna And Louie

Sweet baby Kelpies

Medium Female Kelpie Dog

We now have available two of the sweetest puppies you will ever meet. Luna and Louie are female and male Kelpie pups. They are a very pretty light golden colour and Luna has blue eyes. Luna and Louie have beautiful natures and they do come from good parents too. The usual applies that Kelpies are working dogs so will need enough mental and physical stimulation to keep them healthy and happy. Also socialising and training to ensure they grow into model canine citizens. So if you are looking for a beautiful, intelligent active canine companion please come and meet these furkids.
