

Hi, my name is Todd Id43028

Looking for love

Male Domestic Short Hair Cat

Todd is a beautiful, quiet boy who can be a little shy and nervous around his humans. He would do best in a very quiet home preferably with a friendly feline friend as he loves the company of other cats. Todd can be a little head shy and unsure of sudden movements so he'll require a loving owner who has the patience and time to win him over with butt scratches and slow pats. Todd would be best suited to a home without small children as he would feel overwhelmed. Hopefully Todd finds his perfect match very soon as he's been in the shelter way too long!
