

# Hi, my name is Saffron

## Slinky Adventurer

### Female Domestic Short Hair Cat

Saffron has come a very long way since her arrival into care. From a timid cat who would run into hiding at the slightest noise or movement, she's blossomed into a relaxed kitty who doesn't even hide when there are guests around. She's happy to accept pats from people she knows but will occasionally accept pats from strangers if approached properly (ie slowly & let her have a sniff first). She adores other cats and dogs and goes around grooming others and being groomed. She's mostly independent once settled and is not fazed when left to her own devices. Please send us an enquiry if you'd like to meet this cutie!
