

Hi, my name is Sasha

Gimme a squeaky toy!

Large Female Greyhound Dog

Hello! I'm Sasha, a cheeky little miss ready to steal your heart! At just over 3 years old, I am still a playful girl - I LOVE toys! Especially if you have a squeaky toy. Oh boy, I LOOOOOVE those! I had a bit of an accident a little while ago but I'm all good now and getting stronger by the day with regular physio from the lovely humans at GR HQ. I'm a little bit nervous of going to a new home environment and having to learn my way round. I think I'd do best in a home with only one person, and without any kids or other dogs - I'm not a big fan of those. I'll need a quiet bed out of the way where I can settle in at my own pace. I learnt to love the couch so much that I don't like to share it, so my humans will need to block off access to the lounges and beds. I would also love a home that has a yard for me, which can be my own space to retreat to when the new things all get a bit much, and space for all of my toys of course! I will come out of my shell in my new home with time, but will need to go slow and steady. I am so smart and love the training I get to do at GR HQ...
