

Hi, my name is Marley

Sweet and Friendly girl

Female Domestic Long Hair Cat

All about me and my unique personality: Marley is a sweet girl with a friendly nature. Marley does enjoy snoozing through the day however is always keen to join you if there is something good on T.V. Marley is a lovely companion and enjoys to sit next to you or on your knee for a good pat and scratch. Marley is not too keen on being picked up. My ideal home: Marley would like a quiet home where she can relax and be spoiled. What is known about my background: Marley was surrendered after her owners living arrangements changed and she could no longer keep her. Marley had been with her owner since she was young. Marley has a slight limp which is the result of surgery on an injured leg. This in no way affects her mobility and she can jump and climb if she is in the mood. How do I interact with kids, cats, dogs and other pets?: Marley is not a fan of small children. She would be fine with older kids as long as they treat her gently. Marley would be best suited as an only animal.
