

Hi, my name is Percy

Desexed Male

Male Short-hair Smooth Hair Guinea Pig

Percy is a young piggie who didn't have the best start to life. He was born in a backyard where 120 other guinea pigs were all crammed in and were quickly multiplying. Since arriving in foster care he has been learning to have cuddles having previously never been held or handled by humans. Being only a young piggy of around 10-12 weeks he will quickly learn to enjoy his cuddles from humans. As guinea pigs are a herd animal, he must go to a home where there is another guinea pig already or he can be adopted with one of his friends currently in foster care with him. He is desexed so can live with females or another Male.
