

Hi, my name is Heather

I'm a pirate!

Female Domestic Short Hair Cat

Adopt me - Heather Hi, my name is Heather but my foster mummy calls me Pirate because I only have one eye! When I was little I lived on the streets, and I got an infection in my eye and it stopped working. Eventually someone found me and took me to a vet, and they took it out, and now I'm here. I'm doing great as an inside cat. I love being warm and fed, and oh that roast chicken that my foster mummy gives me is heavenly! I'll never be able to be an outside cat again - it's just too dangerous for a kitty with one eye. I'm looking for a very patient and caring human who can give me a purrever home. Ideally with a cat friend so we can cuddle together. I have a daughter - Marshmallow - who I can be adopted with, but we're not bonded so separately is fine too. I'm so good with pats now that I deserve a medal, honestly. I'm not a fan of being picked up but I'm sure I could learn to tolerate it. I'm perfect with using the litter tray and I don't make a mess - I just want to lie on the couch and watch Netflix with you, and steal your snacks. I'm shy around new people ...
