

Hi, my name is Duder

Looking for love

Male Domestic Short Hair Mix Cat

Caspian: It is the most affectionate cat that I have ever seen. If you show him your hands, he jumps, do whatever he needs to do just to touch it and ask you for pets. He is a very sweet boy, he is very calm and likes to play with papers balls, but just a little bit. He is a cat for make you company. Duder: It is also another sweet boy. He will be shy for the first days, but after he trusts you will be no problem. He also loves to be pet but in his terms, very gently. He sleeps most of the time but he also likes to play with papers balls. You are definitely going yo fall in love with them! I did! They are totally fine with kids but Duder doesn't get along with other cats. They are such lovely boys! They cause no harm and no problem at all... they just wanna a place to stay for good and someone that will give them lots of pets.
