

Hi, my name is Freddy

Looking for love

Medium Male Kelpie x Staffordshire Bull Terrier Dog

What a little darling is Freddy. This strapping lad is well behaved, loves to play, loves other dogs, is quiet natured and would suit anyone and everyone . Freddy is good with kids and would be an absolute asset to any family. Freddy came into care at absolute no fault of his own as he owners had to move interstate and unfortunately were not able to take him with them. Freddie is great with other dogs and would be best suited to a home with another dog for company, he loves his walks and is good on the lead. He sits and would do really well with a bit more training. Freddy would be best suited with teenage rather than young children as he is active and may be a little too bouncy for littlies. Do we need to say more? This absolute all round gentleman is going to make someone a fantastic companion.
