

# Hi, my name is Tess

A golden gem

## Small Female Jack Russell Terrier Dog

Tessy Girl is such a gem. Tess is a 12 year old Jack Russell. This girl is so genuinely sweet and just wants pats, love and affection oh and of course her daily walk. She LOVES her daily walk! Don't let tess' age fool you. This girl is in great health and is still very active. Tess is house trained and very clean and loves nothing more than coming inside for snuggles. Tess would need to be able to be both an inside and outside dog and would suit absolutely anyone. As per the Jack Russell nature Tess would be a great family dog or a very loyal companion. Tess has been living in foster care with two other larger dogs and loves nothing more than to play and goof around. Tess is fabulous with all dogs and would make a great pal. Tess came into care at no fault of her own as unfortunately her owner is no longer with us. This little lady is looking for a new family that she can call her own and we know she will be forever loyal.
