

Hi, my name is Ollie And Ellie

****On Hold****

Harness Trained

Male Domestic Short Hair Cat

Hi, I am Ollie! I am cute, cuddly and keen to join your clan. I am bursting with energy and always looking for new ways to have fun. Whether I am chasing toys on strings, playing games with my wide range of friends or pausing for cuddles. I love to be part of the action, making me the perfect choice for any hustling, bustling household. I do not stop at that though, as I love a good cuddle. As soon as you sit down, I will be there to give you all the smooches and fall asleep on your lap... or anywhere that keeps me close to you. My bubbly, outgoing personality makes me the perfect fit for a big family and with the right introduction I could even make a dog my best bud. My sister Ellie and I are a bonded pair so have to go together to our new home! Is that a life time of family fun I hear? ****** <i>To make an adoption enquiry please head to our website and complete our online enquiry form:
