

Hi, my name is Maverick & Dora

Lively pair

Large Female Boxer x Labrador Dog

Meet our smiley Maverick and cute Dora. Maverick is a six year old Labrador Retriever and Dora is a four year old Boxer. Maverick came into care with Dora his Boxer pal after a very hard decision to surrender by their owners. These two were very much loved but unfortunately a job opportunity lead their owners overseas. Maverick and Dora are very bonded and love each other immensely. So that being said we are looking to rehome Maverick and Dora together. Maverick is a big friendly lab who loves going for walks. He would fit in well with an active family willing to offer further socialisations skills and ongoing training. Maverick's best friend is Dora a four year old boxer. Dora is a big sweetheart with not a mean bone in her body. Dora is a friendly girl and walks beautifully on the lead. Dora exhibits the characteristics being strong, lively and very loyal true to the boxer breed. These two are looking for their new forever home and we know they will supply you with a lifetime of love and loyalty.
