

# Hi, my name is Jack

## Affectionate boy!

### Male Domestic Short Hair Cat

My Name is Jack; I am a very affectionate boy who cannot wait to find a family of my own!

Personality: I'm quite cautious at first and I will need some time to get used to you. I love being around older children as well. Making Friends: I'm unsure of dogs; even though I do get along with another cat in the home and we both love to play together. My Skills: Oh Yeah,

I'm very chatty with my foster mum so I can get some more pats from her. Then if I get none, I will walk in front of her, and then lie on the ground where she is about to walk forward. I eventually get my way :) Let's Wrap it up: We're going to be best friends, I just know it.
