

Hi, my name is Razzle

smoochy and lovable!

Female Domestic Short Hair Cat

Razzle is the most cruisy and loveable kitty you will meet! She has stumpy legs with a sweet face, dark nose, and sweet personality. She was found on a street in Newman, caught in a cat trap, so purry and little, rescued and now awaiting her happily ever after. Razzle is fantastic with other cats and kittens and is very well socialised also liking to hang out with the dogs. Her best friend is a Labrador, she loves to smooch on her and help clean her ears! Nothing fazes Razzle, she would suit a family willing to give her lots of love and would be wonderful in a home with children also. Currently in a home with young children, she loves to sleep with them at night and doesn't mind being carried around like a baby. She is an inside kitty, litter trained and very clean. She loves to play with the other kitties, her toys, and is super affectionate. She is a pleasure to have and is an all-round perfect girl who will slot beautifully into any home. The family who adopt Razzle will not be disappointed, you will have a loyal and loving friend for life! Contact us to find out more inform...
