## Hi, my name is Mouse Nc679

## **Calm and loving!**

## **Female Domestic Short Hair Cat**

Mouse is a snuggly, affectionate and sweet little miss who is happy as long as she is by your side. She was rescued off the streets of Newman being found living at the local mechanic shop and after a few days has come around beautifully. Mouse is an indoor only girl, she is litter trained and very clean. She loves to chase her toys around the house, run and play with the bath mats and roll around on the floor. She is a gentle soul and when getting pats will gentle nibble on her foster humans to show she is happy, and so they don't stop loving her of course! Pats and head scratches are her favourite! She has a beautiful soft coat and unique colourings and markings. It's so hard to capture Mouse's true stunning looks as she isn't quite the poser and loves to head butt the camera whilst purring. She has a calm and loving nature that any family would be so lucky to welcome. If you are looking for a sweet soul that has so much love to give and would like to give Mouse a second chance at life, please contact us at SAFE Newman today.
