

# Hi, my name is Callidora

Looking for love

## Female Domestic Short Hair Cat

Callidora or Callie, princess or miss moo as her carer calls her is a right little lady. She's about 6 years old and was a street cat who was found with her kittens prior to being a foster cat. She's an affectionate little cat once she is comfortable and has built trust with a person. She's best as a one person or couples cat, definitely no children as she's skittish around them. She is uncomfortable around loud noises & sudden moves. Callie isn't keen to be picked up but will however sit on your knee for a cuddle or on the chair with you. She is good with other animals with the right introduction. She has been in the same foster home for 3.5 years so you will need time and patience to help her relax and bring her out of her shell. Please contact her foster carer on 0414249437.
