

Hi, my name is Marley

Soulful eyes

Medium Female Staffordshire Bull Terrier Mix Dog

Marley is a sweet and loyal friend who just thrives on affection and loves to cuddle. She enjoys a walk and just being with her people! Marley is fine with other dogs but would much prefer all the limelight to herself!.

She needs good fencing and someone who doesn't leave her alone for long periods of time as she can become anxious and go looking for her humans. Marley has come a long way from the frightened girl who first came into rescue - at last she is ready for a permanent family of her own. Could that be you?
