## Female Domestic Short Hair Cat

Meet Brazil. Brazil is a beautiful girl who has just turned 1 year old. It has been a bit of a hard road for her as she was severely underweight and dehydrated when she came into care. She was giving everything she had to feed her 5 babies. She has also taken on 8 others at different times. She is an amazing mumma who is ready for her time to be a loyal family member. It is hard to get the perfect photo of her as she loves to investigate or be right by your side. She LOVES affection and will come to you when you call her. She gets a little sad when you leave, but she does settle down quickly and will demand attention when you return to provide assurance that you are there for her. Brazil has been around other cats and kittens and also children of all ages and shown no aggression whatsoever towards anyone. Brazil is desexed, vaccinated, microchipped, flea and wormed and can be found at her foster home in Morphet Vale. Her adoption fee is \$90.
