

Hi, my name is Wish

Wishes for a forever home

Female Domestic Short Hair Cat

Wish is a special lady who is waiting for a special family to adopt her. She doesn't mind quiet dogs, gets on with other cats although her preference is boys. She would not cope with a busy household and would be better off in a home with no children. Wish ideally needs some one on one TLC to bring her out of her shell. She does like watching T.V, although she's usually hiding out of sight, once comfortable she will seek you out. She is strictly an indoor only cat. Wish would more than likely run if spooked and as she is entirely white is very prone to sunburn which could result in skin cancer. If you would love to help this little lady reach her full potential contact LSAR INC on 0405559238.
