

Hi, my name is Jenga

Shiny black coat

Female Domestic Short Hair Cat

Jenga is most at home in a quiet environment. She is very shy and likes to hide for the first few days. She loves playing with cat toys (especially the ones with feathers). She mixes well with other cats and isn't too fazed by dogs but would probably prefer a quiet one. Jenga must remain an indoor only cat as she spooks easily with strange noises and has no road sense whatsoever. She would most benefit from someone who has the time and patience needed to bring her out of her shell. If you think you have what it takes and can help this precious little lady reach her full potential please contact LSAR INC on 0405559238.
