

# Hi, my name is Zoe. Staffy Cuteness To A Tee!

Great with kids!

## Medium Female American Staffordshire Terrier x Bull Terrier Mix Dog

Zoe is an energetic, bouncy who loves everyone and is always smiling! She's great with kids, small animals, is not a backyard escapee, can happily be by herself for periods, and is crate trained! Zoe loves rope toys, going for walks, jumping on the trampoline, cuddles and playing with other dogs. She's the perfect dog for an outdoorsy family with a bit of experience of staffies, who want to shape a young dog into their perfect pooch. She's in foster care with dog savvy 9 and 11 yr old girls who've been great at helping her learn nice manners, she's at the age where teenage habits of jumping and mouthing are sneaking in so children with a bit of dog sense would be best. She's also been around cats and caged pocket pets and shown no ill intent, we recommend careful introductions and ongoing management if you'd be wanting her to live with these pets but so far she's looking like she'll be small animal friendly. And she's in foster care with a 14yr old labrador and is wonderful with her - respects her space, doesn't hassle her to play, and affectionately grooms the ol...
