

Hi, my name is Chino

Easy going!

Male Domestic Short Hair Cat

Chino was adopted in 2018 but sadly his loving owner passed away so he came back into our care. He would make anyone a wonderful, devoted companion. Chino is a bit nervous around strangers but once he settles into a new home is an energetic, easy going cat. He gets on well with other cats and dogs too but is a bit wary of children. Given enough time he should get used to them. Chino loves to tap on you if he is ignored and head butts you to wake up you for breakfast. He loves his food a bit too much! History -
