

Hi, my name is Mrs Mc Gonagal

Too fast to photograph

Female Domestic Short Hair Cat

Inquisitive little tortoiseshell sticky-beak is our Mrs McGonagal! Always so busy and into everything that she's really hard to take a decent photo of because she just doesn't stay still. Take a look at our photos and you'll see what we mean. She's very social and lives with four other cats right now, so if you already have a sociable cat, Mrs McGonagal should fit right in, otherwise if you need two cats in your life, you can adopt her with one of her friends. If you like tortoiseshells but aren't sure if Mrs McGonagal is the right one, do take a look at our lovely Nelly.

Age	2 years
