

Hi, my name is Rabbit

Smoochy cuddles

Female Moggie Cat

My name is Rabbit and i am looking for a new home due to a family tragedy. I was on death row because nobody would take me but luckily Whiskers and Tails Adoptions was notified about my situation and saved me. I am a beautiful calico and am extremely affectionate but can be shy too. I am living with other cats ive just met and i havent growled at any of them. I am 9 years old and want to live out the rest of my years with a loving family. I am extremely over weight and am on a diet. The vet has told me that my weight hasnt affected my joints thankfully and that i am a healthy but fat cat. I come vaccinated, microchipped, desexed and parasite treated.
