

Hi, my name is Woody

Independent

Female Domestic Short Hair Cat

Hey guys I'm Woody, I'm one of your easy going types who you'll find wandering about minding my own business. Im curious and find things to do to entertain myself. Most of the time you'll also see me hanging around you wanting to watch what your're up to. Just like many other youngsters, I love a good feed, play time, and snuggling up in only the best soft blankets you can find. Just don't be concerned if you find me suckling on them aswell. It's something I do that comforts when I'm relaxed or falling asleep.
