

Hi, my name is Oswald

Looking for love

Medium Male Mixed Breed Dog

Meet Oswald! Oswald is loyal, loving and gentle. Oswald is people focused so would be suited to any household that had love to give him. Oswald is a gentle and kind soul who is eager to please. While a strong gentleman he walks well on the lead and is good with people and his hyper energetic foster sister Frankie. Oswald is currently an outside dog, but his gentle nature would also work well indoors. He is calm and quiet in storms. He loves the beach (he loves chasing waves and jumping in water pools) and pats.

Loves his daily walk but is otherwise very happy to chill and sleep the day away. Oswald is very affectionate and loves to be cuddled and patted. He is fantastic with other dogs so would do equally well on his own or in a family. He would be an amazing addition to any household. To meet Oswald, please complete a meet and greet form via the Paws website. All PAWS Darwin animals come with de-sexing, up to date vaccinations and worming plus micro-chipping. In addition to this all dogs are eligible for 4 free socialisation classes. For more information or to meet the animal pl...
